Hard-core off-roaders require hard-core parts. Jeep, Performance Parts from Mopar, provide that toughness, durability and performance — enough to roll with any extreme challenges dished out by treacherous terrain. Jeep Performance Parts are factory-engineered with precise fit and function, properly equipping your Jeep vehicle with the tools to tackle the toughest trails.

As you’re building your Jeep, choose from our comprehensive catalog of Jeep Performance Parts to upgrade your vehicle’s capabilities and make it your own. Our lineup of products — including engine components, performance chassis parts, performance wheels, driveline components, performance engine components and off-road accessories — is engineered by the same engineering team that built your vehicle.

Your next adventure awaits, and Jeep Performance Parts are ready to help lead the way. Happy Trails!
Engine Components are your direct connection to factory engine components. You can build your engine with confidence using these factory-engineered parts.

Engine Components

CAMSHAFTS, LIFTERS & HARDWARE

Mopar® Performance Camshafts are designed and engineered exclusively for your engine. A wide range of profiles are available, from mild to wild. All camshafts are developed, dyno'd and track-tested by Mopar engineers for increased power and RPM potential while maintaining reliability and the best possible low-speed characteristics, including torque and idle quality. Mopar camshafts offer the best horsepower-to-dollar-spent value. Each package contains the camshaft, camshaft lube, instruction sheet and tappets.

CAMSHAFT, HYDRAULIC - FOR 4.0L JEEP® ENGINES
Up to '98 430/430 Lift #P4529228AD $222.00

TAPPET, HYDRAULIC
Small Block/2.5L/4.0L Jeep Engines, Sold Individually #P4529250AB $12.40

CYLINDER HEADS, GASKETS
4.0L Jeep Engines, Sold Individually #P4529260 $30.95

CRANK SENSOR BRACKET
Mount crank sensor to oil pan rail for use with vibration damper (page 7).
4.2L Jeep Engines* #P4529294 $82.00

*Use with 1981-87 EFI Conversion Kit (See page 9).

GASKETS

Jeep, six-cylinder engines use a common intake/exhaust manifold gasket design. This gasket is designed for direct replacement.

4.0L Jeep, Engines/Intake/Exhaust Manifold #P4529243 $12.40
Up to 1998 4.0L Jeep Engines, Engine Towel #P4529240 $55.70

OIL PUMPS

These high-performance, high-output oil pump assemblies provide up to a 25% increase in oil volume. Ideal replacement for stock pump in high-performance applications.

4.0L Jeep, Engine, Heavy Duty #P4529227 $73.00
4.0L/4.2L Jeep Vehicles #P4529201 $84.55

ROLLER CHAIN & SPROCKETS

High-strength double roller chain and sprocket sets provide added durability and decreased rotational friction compared to production silent chains. Sets include Magnafluxed sprockets and roller timing chain.

Up to '98 2.5L/4.0L Jeep Engines, Double, 1-Bolt Mount, One Keyway #P4529252 $144.00

VALVES & VALVE TRAIN HARDWARE

Single-groove style valve keepers are made from hardened steel. Each features an eight degree angle and an eight millimeter stem diameter. Used with P452916 and P452917 retainers. They can be used for restoration or performance applications. Sold in cylinder head sets of 16 (note that two sets are required for all six-cylinder and V8 engines). Does not fit P5153847 head.

VALVE KEEPERS
For Retainers P4529216-17, 2.5L/4.0L/5.2L/5.9L Truck Magnum/Jeep Engines #P4529208 $14.50

VALVE SEALS
4.0L Jeep Engines, 8 mm Stem #P4529240 $18.65

RETAINER, VALVE SPRING
2.5L/4.0L Jeep Engines, Steel, use with Conical Springs #P4529217 $8.30
2.5L and 5.9L Jeep Engines #P4529616 $3.00

VALVE SPRING - FOR 2.5L/4.0L JEEP® ENGINES
'81-'87 Cylindrical #P4529216 $14.50
'88-'92 Conical #P4529217 $8.30

VALVE COVER

Bold looking black wrinkle cast aluminum valve cover sets for Jeep, vehicles. Jeep vehicle valve covers feature the Jeep logo, and sets include attaching screws, grommets, baffle and oil filler cap. Gaskets must be purchased separately.

'81-'86 4.0L Jeep, Engines, Black Wrinkle #P4529206 $204.00

VIBRATION DAMPERS

Damper attachment package contains all parts necessary to attach the vibration damper to the crankshaft. Replacement vibration damper is compatible with production crankshaft and piston rod weight. MPI conversion kit vibration dampers are for use with Jeep, 4.2L fuel injection conversion kits or build your own!

VIBRATION DAMPER, V-Belt - FOR 4.2L JEEP® ENGINES
Production Replacement, V-Belt #P4529225 $85.00
'81-'90 Vibration Damper, V-Belt #P4529267 $252.00
'81-'90 Vibration Damper, Serpentine Belt #P4529268 $232.00

*Use with 1981-90 EFI Conversion Kit. See page 11

VIBRATION DAMPERS - FOR 4.2L JEEP® ENGINES
Production Replacement, V-Belt #P4529225 $85.00
'81-'90 Vibration Damper, V-Belt #P4529267 $252.00
'81-'90 Vibration Damper, Serpentine Belt #P4529268 $232.00

*Use with 1981-90 EFI Conversion Kit. See page 11

*Includes engine controller. Also order vibration damper (page 7).
Challenging, changing landscape is part of the rough charm of the off-road, but don’t be left at the mercy of the harsh environment. It’s crucial to have total control over the power being put to the ground, especially in difficult scenarios — such as when one set of wheels rests on solid ground, the other on a slippery slope. Jeep® Performance Parts Driveline Components get you in gear under the most challenging conditions.
Driveline Components

**AXLE ASSEMBLY**
Front and rear axle assemblies will provide the next level of off-road performance for your CJ, YJ or TJ and are direct bolt-in replacements for the ‘07-‘15 JK. These axles are shipped with current Wrangler Rubicon suspension mounting brackets installed. Adaptation of these units into previous models is the responsibility of the purchaser. These axles come completely assembled with 4.10 gear and electric selectable locking differential.

**AXLE COMPONENTS**

- **WIRING HARNESS**
  12-foot 2-wire connector! You provide power and ground with your switch. Allows Locker Axles to be powered.
  
  $41.20

- **RING AND PINION GEARS, DANA 44 , 4.88 RATIO - WRANGLER**
  Premium gears will not whine. Made from special production steel in the U.S.A.
  
  Front Axle #P5155355AB .................................................. $490.00
  Rear Axle #P5155356AB .................................................. $490.00

- **‘09-‘14 Differential Plate Cover w/ stamped Jeep ® logo for Dana 30 TM Axle #659730RR**
  
  $85.60

- **‘09-‘14 Differential Cover w/ stamped Jeep logo for Dana 44 TM Axle #659744RR**
  
  $85.60

**AXLE, FRONT ASSEMBLY**

- **‘07-‘15 Wrangler, Dana 44 , 4.10 Ratio, Tru-Lok ® electric selectable locking differential, 5 on 5.0” JK Wheel Pattern, w/ Brakes #P5156275AB**
  
  $2,395.00

- **AXLE, REAR ASSEMBLY**

  - **‘07-‘15 Rubicon, 4.10 Ratio, Tru-Lok ® electric selectable locking differential, 5 on 5.0” JK Wheel Pattern, w/ Brakes #P5156276AB**
    
    $2,100.00

  - **Military J8 Wrangler, Dana 60 TM, 4.10 Ratio, Limited Slip Differential, 5 on 5’5” Wheel Pattern, Leaf Spring, w/ J8 Brakes #P5155083**
    
    $2,995.00

**DANA 60 ™ CRATE AXLE**

- **‘07-‘14 WRANGLER, ELOCKER**
  Wherever limits are pushed, Dana 60 ™ is there. Introducing the new Dana 60 ™ front and rear axles for the Jeep ® Wrangler. Not only is it the biggest, strongest Dana 60 ™ axle ever built, but it also incorporates many of the upgrades that off-roaders demand. You get a direct-fit, bolt-in solution for your Jeep Wrangler, plus the unparalleled technology, strength and durability that comes from having Dana 60 ™ axles.

  Mopar ® now offers brand-new front and rear Dana 60 ™ crate axles for ‘07-‘14 Wrangler models. Featuring locker functionality, these bolt-on units include new wheel-speed sensors and a choice of 4.88 or 5.38 final drive gearing. Offering a 14.5mm improvement in ground clearance, these units also feature an integrated upper control arm, a Jeep ® branded heavy-duty cast iron differential cover, 4340 chromoly 35-spline axle shafts and Ram 3500 One-Ton brakes. To ease installation, these axles retain the production steering linkage.

  **Axle, Front Assembly**
  For years, hardcore off-roaders have been modifying their Dana 60 ™ axles for even better performance over the rocks, across the sand and through the mud. This Dana 60 ™ front axle includes a number of new features, including chromoly axle shafts, a greatly enhanced carrier with upgraded gearing, and more. In addition, we added massive new Spicer ® SPL ®-70 universal joints for premium performance you cannot get anywhere else.

  Front 4.88 #*P5156277AB ......................... $7,000.00
  Front 5.38 #*P5156277AB ......................... $7,000.00

  **Axle, Rear Assembly**
  When you're taking on the roughest terrain, you need the biggest, strongest axles available. You need the Dana 60 ™ axle. Engineered to be a direct-fit, bolt-in solution for the Jeep Wrangler, Dana 60 ™ axles can withstand the extreme punishment of extreme off-roading. Built for superior strength inside and out, these axles have what it takes to overcome even the toughest obstacles.

  Rear 4.88 #*P5156278AB ......................... $4,000.00
  Rear 5.38 #*P5156279AB ......................... $4,000.00

**NEW**

Prices shown do not include installation or taxes and are subject to change.
Custom Performance Chassis products from Jeep Performance Parts provide increased performance, ground clearance and off-road articulation, and boost ride comfort and control — on-road or off.

Steering, High-Clearance, High-Capacity #P5155264 $111.00

**'07-'14 WRANGLER 3” LIFT KIT WITH FOX RACING SHOX**
Utilize an exterior reservoir version of the FOX 2.0 Performance Series shock for greater heat dissipation. The shocks, in combination with the Mopar/TeraFlex SpeedBump System (used on the front axle), provide exceptional performance at speed. Additionally, this system includes all four rear axle-to-frame link arms and front lower link arms for ideal driveline geometry and front end alignment (no realignment required). Includes four tuned coil springs, brake line, track bar brackets, Double Cardin front drive shaft (3.6L engine).

- 4-door #P5156140 $2,400.00
- 2-door #P5156141 $2,400.00

**'07-'11 WRANGLER 4-DOOR, 4” LIFT KIT**

- With Performance Shocks #P5155403AB $1,545.00
- With Bilstein Shocks #P5155404AB $1,890.00
- With FOX Racing Shox #P5156120 $2,199.00

**GRAND CHEROKEE/COMMANDER 4” LIFT KIT WITH SHOCKS**

- '05-'07 #P5155383 $2,345.00
- '08-'10 #P5155384 $2,345.00

One of the first things owners do is fit larger tires to their Wranglers. We offer 2”, 3”, and 4” lift kits to allow the proper clearance to fit your tires. Our newly developed 2” lift kit is a very complete system, not just a cheap spacer lift. Included are newly designed coil springs which are double dipped in epoxy and then powder coat painted for maximum chip resistance. To control the ride, we have teamed with FOX shocks to provide a set of shocks tuned specifically for a Wrangler with oversize tires. By retaining the factory geometry, ride and handling are excellent.

**WRANGLER 2” LIFT KIT WITH FOX RACING SHOX**

Feature the new FOX Racing Shox 2.0 Performance Series IFP shock. Its brushed aluminum shock body dissipates heat faster than conventional steel and combines with other race-inspired technology to provide incredible fade-free performance, precise handling and stability. Hard chrome plated heat treated shock shaft and redundant sealing system does not require a dust boot. Includes four tuned coil springs, brake line, track bar brackets, Double Cardin front drive shaft (3.6L engine) and all the hardware required for a complete installation. Backed by Mopar warranty.

- '12-'14 4-Door #77070093 $1,495.00
- '12-'14 2-Door #77070094 $1,495.00

Performance Wheels

On the trail, rubber meets the rock — not the road. When the going gets tough, you need wheels that are tougher. Jeep Performance Parts Wheels are engineered to accommodate wider, aggressive off-road tires and cope with paths never touched by painted lines — and do it with style and appearance that stand out from the crowd. Available on 2007-2014 Jeep Wrangler. Backspacing of 5.2" allows upgrade to 35" tires without frame interference.

For an expanded selection visit MOPAR.com

New and Top-Rated Equipment
Performance Wheels

17” X 8.5” CLASSIC WHEELS

Classic 5 hole or 5 spoke wheels are 17” x 8.5” and provide a backspacing of 4.6”. This will allow the use of a 35” x 12.5” x 17” tire with a 2” lift. Both wheel styles are available in three colors to match your body color. These wheels feature a protected valve stem design and Jeep® logo center cap.

5-Hole, Argent #P5156180 $268.00
5-Hole, Silver #P5155977 $268.00
5-Hole, Black #P5155978 $268.00
5-Spoke, Silver #P5155981 $268.00
5-Spoke, Dark Argent #P5155982 $268.00
5-Spoke, Black #P5156179 $268.00

Prices shown do not include installation or taxes and are subject to change.

Jeep, vehicle owners demand more from their driving experience. That means they demand much more from their vehicles. Every new Jeep vehicle is covered by an extensive warranty, and Mopar provides an industry-leading Basic Limited Warranty for Mopar parts. See the details for additional parts warranty information.

For an expanded selection visit MOPAR.COM NEW AND TOP-RATED EQUIPMENT
MOPAR, BASIC LIMITED WARRANTY

Excludes any defects that arise from misuse, negligence, accident, alteration, or repair performed by an unauthorized Chrysler Group LLC dealer or that are not covered for 12-months/12,000-miles for both parts and labor, or for 36-months/36,000-miles for parts only for passenger cars and light trucks, or for 72-months or unlimited miles for parts and labor, or 12-months/ unlimited miles for parts exchange only, whichever is more favorable to the customer.

Mopar parts replaced on a Chrysler Group LLC vehicle still covered by the Chrysler New Vehicle Basic Limited Warranty are warranted for the remainder of the New Vehicle Basic Limited Warranty period, or for the Mopar Basic 12-Month Limited Warranty from the original installation date, whichever is more favorable to the customer.

The Chrysler Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler Group LLC dealership if the failure of a warranted part(s) causes the vehicle to be inoperable or unsafe for normal and proper use.

If a Mopar part is replaced in a Chrysler Group vehicle by an authorized Chrysler Group dealer, and if, that part is still under warranty, it causes either a part to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a Chrysler warranty at the time of failure.

These warranties are the only express warranties made by Chrysler for Mopar Parts and Accessories. Except where prohibited by law, these warranties give you exclusive legal rights and you may have other rights which vary from state to state.

NO PARTS WARRANTY – “AS IS”

Mopar Performance parts are sold “as is” unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. What implied warranty of merchantability means is that the part is reasonably fit for the general purpose for which it was sold. The other risk is up to quality and performance of each part with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary service or repair. Chrysler, Jeep, Dodge and Ram vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not, by itself, void a vehicle’s warranty. However, added performance parts are not originally supplied on the vehicle from the factory and are not covered by the vehicle’s warranty.

EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles be warranted for at least 24,000 miles, whichever comes first. Ford and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways.

Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance with safety and/or emissions standards. Mopar recommends that vehicle with parts designed in this fashion not be operated on public streets or highways.

ADDITIONAL PERFORMANCE INFORMATION

Mopar Performance Crate Engine Assemblies – Crate engine assemblies are warranted to “parts only” as delivered against defects in materials or workmanship for 90 days from the date of purchase. The following covered components for Performance Engine Assemblies, which prove to be defective in materials or workmanship, will be replaced on an exchange basis for 90 days: cylinder blocks and all internal parts, cylinder head assemblies, intake manifolds, core plugs, valve covers, oil pan, timing gear and/or shaft and cover, water pumps, gaskets and seals.

Mopar Performance Parts with part numbers beginning with “9F” are sold “as is” without warranty coverage of any kind by Mopar unless otherwise noted.

MOPAR MASTER SHIELD® PRODUCTS

HOW TO OBTAIN WARRANTY SERVICE

Where both parts and labor are covered warranty items, repairs will be made by any Chrysler Group dealership at no charge. Where parts only are covered, Chrysler Group dealership will provide replacement parts at no charge. It is recommended that you take your vehicle to your nearby dealership or to the dealer who sold it to install your Mopar part or accessory. However, you may obtain replacement parts or service under warranty from any authorized Chrysler Group dealer.

WHAT IS NOT COVERED

Mopar warranties cover neither non-Chrysler Group nor non-Mopar parts, components or equipment. Those warranties also do not cover the costs of any repairs or adjustments that might be caused by or necessitated because of the use or installation of any non-Chrysler Group or non-Mopar parts, equipment, materials or modifications.

Mopar warranties do not cover the costs of repairing damage or conditions caused by fire or accident, by abuse, negligence, or misuse (for example: driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion damage caused by the use of caustic materials.

Mopar warranties do not cover parts covered in a vehicle used for racing or competition; nor do they cover the repair of any damage or conditions caused by racing or competition.

Additionally, Mopar warranties do not cover İl/conditions caused by environmental factors or Acts of God. “Environmental factors” include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. “Acts of God” include such things as hail, floods, windstorms, lightning, tornados, sandstorms and earthquakes.

Mopar warranties do not apply to parts installed on a vehicle which has had its emission or emissions systems tampered with or in a condition which has been declared to be a total loss; issued a certificate of title indicating that it is declared to be a total loss; issued a certificate of title indicating that it is a salvage vehicle; or declared a total loss as set forth in this paragraph.

Mopar Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time, inconvenience, the loss of use of your vehicle, the cost of rental cars, gasoline, telephone, travel, lodging or the loss of personal or commercial property, or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by Chrysler Group LLC, as set forth in your New Vehicle Limited Warranty if your new vehicle limited warranty is restricted by Chrysler Group LLC, covering your Mopar Parts and Accessories. Limited Warranties may also be restricted by state law. Your vehicle is the sole and exclusive remedy. Your warranties can also be restricted by Chrysler Group LLC, as set forth in your New Vehicle Limited Warranty if your new vehicle limited warranty is restricted by Chrysler Group LLC, covering your Mopar Parts and Accessories. Limited Warranties may also be restricted by state law. Your vehicle is the sole and exclusive remedy.

OTHER TERMS

To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed in a vehicle used primarily for business or commercial purposes, no implied warranties apply. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Those warranties are the only express warranties made by Chrysler Group LLC for Mopar Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.

NOTE TO DEALER:

MOPAR WARRANTY REGISTRATION AND REPLACEMENT PROCEDURES

The Dealer must notify Chrysler Group LLC whenever you install Accessory Parts Catalog. The Dealer must notify Chrysler Group LLC whenever you install the Dealer’s Vehicle Option Update.

NOTE TO INTERNATIONAL DEALERS AND DISTRIBUTORS

Mopar warrants all replacement parts, which have been designed, engineered and approved for use in the United States and may not comply fully with regulations in your country. Before installing these accessories, please confirm that they are in compliance with all local regulations. Special displays, displays, promotional offers and supplier ship direct (SSD) shipments apply only to the United States.
