

No matter where you are, your car is never far away

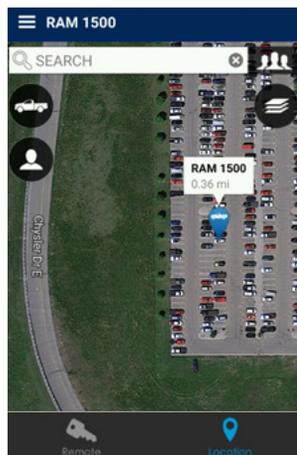

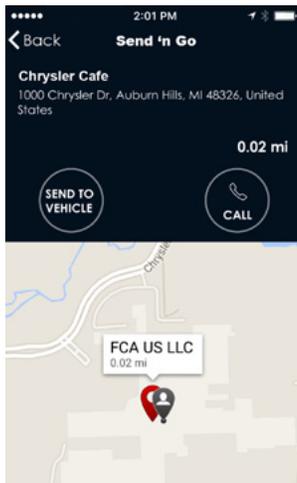

## With the Uconnect® Access app, everything revolves around you!

Download the app to take advantage of a range of services designed to make your life easier... right from the palm of your hand!

To log in to the app, enter the user name and password that you used when you first registered your Uconnect® System.

### REMOTE COMMANDS\*

Use the app to start your car, lock/unlock the doors, and sound the horn/flash the lights from virtually anywhere!

### VIA MOBILE\*<sup>[1]</sup>

Tap the internet radio app you'd like to connect to your car and enter your login information for that app to link your account.<sup>[1]</sup>

Next time you're in the car, enable Bluetooth, pair your phone & select the Via Mobile app you want to play from your Uconnect Touchscreen.

### VEHICLE FINDER\*

Forget where you parked your car? Simply tap the vehicle icon to see its location. From the app, you'll be able to sound the horn or get a route to your vehicle so you can get back on track!

NEW!

### SEND 'N GO\*

Find your destination by browsing through the categories provided or typing the name.

Send the address directly to your navigation by tapping the Send to Vehicle button.

Once you're in your car and have started the ignition, the information will pop up on your Uconnect Touchscreen.

NEW!

➤ Visit [DriveUconnect.com](http://DriveUconnect.com) to learn more about these services & when they will be available in your car.
